Subject: RE: Request to schedule consultation meeting with the Great Plains Tribal Water Alliance

I know it's been awhile since we requested this consultation, Valois, and we will meet and get with you on this Section 106 Consultation, hopefully through a conference call on our meeting date.

Thank you.

Reno Red Cloud

Subject: Request to schedule consultation meeting with the Great Plains Tribal Water Alliance

Directors of the Great Plains Tribal Water Alliance,
I have been working with Mr. Reno Red Cloud to schedule a consultation meeting with the Great Plains Tribal Water Alliance on the proposed EPA actions for the Dewey-Burdock uranium recovery site since receiving the attached letter from Mr. Red Cloud in August 2019. We have been attempting to schedule the meeting to coincide with our consultation meeting with the Oglala Sioux Tribal Council. The EPA now has a date for meeting with the Oglala Sioux Tribal Council on March 23, 2020.

Mr. Red Cloud has asked the EPA to send written request to schedule a meeting with the Great Plains Tribal Water Alliance. He also suggested that I call into your March 4 meeting so we can discuss possible dates for the consultation meeting that will work for the GPTWA. I will email the consultation request letter from the EPA in the near future.

Thank you in advance for consulting with the EPA on this matter. I look forward to speaking with you on March 4th.

Valois
