Hello Mr. Bald Eagle,
I would like to work with you to find a time on Chairman Frazier's calendar for EPA senior leadership to meet with him in Eagle Butte to discuss the proposed Dewey-Burdock uranium in-situ recovery site located in the southern Black Hills.

EPA senior leadership is available during the following time slots:
1. Wednesday, May 4 – any time during that day
2. Friday, May 6 – 9:00 am

Please let me know which of these two time slots, if any, would for Chairman Frazier. If none of these work, please let me know and I will work on finding new time slots. Or please suggest some times and dates that would work for Chairman Frazier.

Please give me a call if you would like to speak in person about scheduling our meeting. My phone number is 303-312-6276.
Thank you!

Valois
