Re: FOIA REQUEST in reference to NEIC Report of Pontchartrain Works Facility in LaPlace, Louisiana

To Whom It May Concern:

Pursuant to the Freedom of Information Act (FOIA), I am requesting an opportunity to inspect or obtain copies of the items listed below. This request is limited in scope from January 1, 2016 to January 1, 2017.

- Any and all documents concerning the EPA's National Enforcement Investigation Center's Clear Air Act inspection at the Pontchartrain Works Facility in LaPlace, Louisiana during the week of June 6-10, 2016 of the Chloroprene Unit, Neoprene Unit, and HCl Recovery Unit. These documents should include, but are not limited to, any *unredacted* reports, data, and findings as a result of the inspection.

Please advise when we should expect to receive production of these records, the method of production and any fees associated with the production. Do not hesitate to contact us with any questions or concerns. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify us of the appeal procedures available.

Thank you for considering our request.
