Dear Mr. Gibson,

Please find the attached Information Request Letter that EPA is issuing your company under Section 114 of the Clean Air Act. Due to the spread of the COVID-19 virus, EPA staff are unable to mail a hard copy of the letter to your office. Please respond to this email to acknowledge receipt.

We recognize that this is a difficult time for many businesses, and therefore we are willing to work with you on the timeframe for your response. The enclosed letter indicates that your response is due within 30 calendar days. Request items #13 and #14 have a different submittal timelines. However, if you need additional time, please let me know and we can discuss flexibilities that may be available.

Please note that we are not currently able to accept any hard-copy submissions. Please submit your response to r5ardreports@epa.gov. If your response is too large to be submitted over email, or if you plan to claim any of your response as Confidential Business Information, please contact me to make additional arrangements for submitting your response.

We sincerely hope you and your family are safe and healthy. Best wishes for the future.
