Hi Antoine, Larry, and Ann-

Shanta and I need some of your time today for a brief conversation with you to further discuss and delineate terms and conditions of these registrations (including reporting, stewardship, etc.).

We are available today for the call between 11 – 1:30 pm. I imagine the call will likely need to be 30-40 minutes. Please let us know your availability during this time and I will set up a Calendar invite for the call.

Thank you.
Debra
