I would like to keep 12-1 just in case there are any last minute issues, it gives us a bit to gather our thoughts.

Since the briefing has moved from 1 pm to 2 pm. Would the group prefer to keep the pre-meet from 12-1 or would you like that to move to 1-2 pm?

Please let me know your preferences.
Thank you!
Debra

Hi Amy,

I would be OK with that. I know we spent time on it last briefing since it was one of the concerns that the company had raised in their discussions with senior management.

Ex. 5 Deliberative Process (DP)

Any other thoughts before we take them out of the slide deck?

Hi team,

With regards to the first 2 slides that are DW focused, since we went over these at the last briefing and we haven't changed our DW approach, we don't think we need any EFED-specific slides for this briefing. We will be in the meeting to support the HED dietary results in the context of food+water, mitigations, and impact to cumulative, and help with any questions.

Are folks okay with this?

Thanks,
Amy

Hi All,

Here is the link to the new slide deck for the AA briefing on Friday.

https://usepa-my.sharepoint.com/:p:/r/personal/rate_debra_epa_gov/Documents/Aldicarb/Aldicarb%20Follow-up%20AA%20Briefing%20Slides%2012082020%2010.46%20am%20dnr.pptx?d=w4edc7a6cbf094d3f8486e7fdc61a66ea&csf=1&web=1&e=0AT5y3

As I mentioned in the meeting, Marietta asked for the slides to be streamlined and to focus on what has changed or been updated from the last briefing. I attempted to cut the number of slides to the ones that I thought might be most important for this update, but feel free to change/remove/add slides you feel are important to your discipline. I've also been playing around with the order of information. I am completely open to any thoughts or adjustments to the order of the slides as well.

Thank you again for all of your work on this action.
Debra
