So given the priority and focus on this meeting I would like you to present the slides for the DD and AA briefing.

Are we good to go with the version I sent around. We need to put them into the SharePoint site today given all the meetings being scheduled?

Hi,

As we prepare for the aldicarb meeting this week, considering the feedback from folks, I took at stab at the slides as well. I placed my suggested slides after the last revision so you could see what I changed. See slides 15 and 17. We will need to have these slides ready for the team meeting tomorrow morning as we can go over the slide set as a group

Let me know if you have questions or concerns on the revised slides.

Thanks,
Amy
