I have not been able to reach Phil at (b) (6) [redacted] (I left a message around 2:15 PM). Is there a different number or email that I should try to ensure that we are able to complete this task no later than tomorrow?

Carla,

I received an email that instructs me to schedule a time to visit a USAccess Credentialing Center to obtain my USAccess identification credential for GSA. However, based on the online tool, the earliest availability at the 1800 F Street location appears to be mid-November. Is there someone I can speak with about getting an appointment tomorrow?

Best,
