Hi Team,

I received a quick note from Marietta yesterday asking about the briefing slides. She suggested to me to have each division provide 2-3 slides to tell their story.

With that in mind please provide any updates to your slides by revising, removing or adding additional slides as needed to bring your story up to date. Currently:
BEAD - slides 8-11;
HED - slides 12 and 13
EFED - slides 14 – 17

RD will work on the background, mitigation, recommendations, etc. – but we appreciate any suggestions and thoughts on these as well.

Although there may be other items to discuss as well, I would like to use the meeting time to run through the slides and try to iron out any further details before the DD briefing scheduled for Wednesday.

I have noticed many of you working on the slides over the last couple of days and I appreciate your time and attention to this action. Let me know if you have any questions or concerns that I can work on now, or bring them to the meeting on Tuesday.

Talk to you soon.
Have a great weekend!
Debra

Hi Team,

The briefing for the DDs is scheduled for Wednesday 11/18/20. And there is a push to schedule a meeting/briefing with Alex D. before Thanksgiving.

Ex. 5 Deliberative Process (DP)

Many of the new slides are still rough, but please feel free to add comments and suggestions if you think there may be a better way to present a slide or the story. A link to the slides is provided below for your convenience. Thank you!
