Thanks, Marietta! I made one slight grammatical correction (i.e., subject – verb agreement), but that's it.
Josh - I think we're "good to go".

Marion – I streamlined it a little bit. Take a look and make sure it's ok. I don't have any other comments at this time.

Jonah, please loop in Darlene to get Ed's approval. Thanks

Jonah, et. al.:

I've incorporated the stakeholder information, per Marietta's request. Please free to chime in, and/or let me know you have any questions. Bear in mind that the comment period just closed yesterday (1/6/2021), so we're still trying to access and peruse additional comments from the system. Many thanks!

Marion – I cleaned up the document. I added a section for stakeholder reaction. We need a couple of bullets to capture enthusiasm from growers but also concerns from NGOs and others. Thanks

HI Jonah! I've made my edits in the one drive, but am awaiting additional feedback, prior to giving you the "thumbs up". That said, you're certainly welcome to take a look and see if the current changes meet your needs. Nonetheless, I'm hopeful that we can provide our collective and final edits prior to close of business today, but let me know if you have additional thoughts.

Best,

I created a SharePoint link for this. Here is the final Aldicarb 1-pager that went to the Administrator 12/4 to use as a starting point to update.

Our goal is to get the updated file to the Administrator this Friday, so if possible, would you be able to send OPP's draft to me by COB tomorrow, 1/6? Hopefully it doesn't need much work.

Thanks,
Jonah
