Johnson, Hope 12:33 PM:

I don't think we made a decision on if OGC needs to see aldicarb. My opinion would be no at this point. Thoughts?

Kaul, Monisha 12:41 PM:
They should definitely see it but we can do it once the document has gone through team review - when it's cleaner.

Johnson, Hope 12:42 PM:
Not sure who would be available. And they'd need to do a quick turnaround

Kaul, Monisha 12:43 PM:
I usually just ask around in OGC to find out who is assigned. They will be reviewing the decision anyway so there will be someone.

Kaul, Monisha 12:43 PM:
FYI - BAB sends all of our RD docs to OGC for review.

Kaul, Monisha 12:44 PM:
But, you have a good point - considering the timing - we should probably just send it at the same time as when it goes to RD.

Johnson, Hope 12:45 PM:
I just emailed Shanta and Debra for the OGC contact

Kaul, Monisha 12:45 PM:
thanks!
