Hi Monisha

Kaul, Monisha 5:30 PM:
Hello

Adeeb, Shanta 5:31 PM:
Are you actively commenting on the Aldicarb draft decision memo? Debra and I accidently created two versions of the document and we are trying to merge all of the comments and eliminate the duplicate

Kaul, Monisha 5:32 PM:
I am not right now. I can close it.

Adeeb, Shanta 5:32 PM:
Thanks, we are going to remove the duplicate document so people are not commenting in two places.

Kaul, Monisha 5:33 PM:
Sounds good. We also made some text edits in a few places

Adeeb, Shanta 5:34 PM:
Awesome. I will tell you the name of the one that is still available in a min or two

Kaul, Monisha 5:34 PM:
great! Assuming you'll email the team too.

Adeeb, Shanta 5:35 PM:
The Draft Decision Document Dated 12.23.20 can be commented on now

Kaul, Monisha 5:36 PM:
Do you mean that you will continue to use the 12.23 version?

Adeeb, Shanta 5:36 PM:
Yes

Adeeb, Shanta 5:36 PM:
We removed the version with todays date.

Kaul, Monisha 5:37 PM:
Got you! I told the BEAD team to cross check when done but now they don't need to. Thanks.

Adeeb, Shanta 5:37 PM:
Most people were commenting on the version dated 12.23.20 which is why we did not remove that version.

Adeeb, Shanta 5:37 PM:
Thanks Monisha.
