Where: Microsoft Teams Meeting

Have an ORE question? Come to office hours! No queuing required—you can be a fly on the wall and learn from others' questions or pose your own.

One ORE mentor will be available per session to help with the following types of questions:

- Any what, how, when, who, and why question related to ORE. For example:
  - what does this mean?
  - how do we do this?
  - when is the right time to ask for this item?
  - why do we do this that way?
  - who in the program manages that process?
  - how do I conduct a more refined assessment for this?
- Any question related to core work, including reading/interpreting/producing risk assessments.
- All policy/guidance questions.
- Template questions, etc.

The rotation schedule of weekly mentors is available on the Mentor Office Hours Teams files page under ExpoSAC Teams.
Additionally a living document for Questions and Topics to be posed by mentees is also available.
This is a private subgroup within ExpoSAC for those on this invite.
