Hi All
I checked in with Matt and got the download on the transmittal process. It sounds like a process is buttoned up: Dan is in touch with the RAs office to hear when Chris H has shared the draft letter with his counterparts. The boarder group is aware that they should hold until that confirmation that the senior leadership transmittal has happened.

Thank you all for the help in covering this today. The team was working really hard yesterday to pull this together- and it's great to see this milestone reached.

And as an FYI: Andrew's off Monday, as is Molly.

All — At this point, please DO NOT forward to principals, as Chris wants to be the one to do that. Thanks.

Hello all,
Attached is the version of the draft comment letter that was transmitted to Chris yesterday afternoon to share with political leadership. I'm also attaching the briefing document for reference (same content as before with updated dates).

The briefing has been rescheduled for Tuesday next week with a small core group of primarily political leadership. We have a career leader call the following day and can get a download then.

I wanted to provide an update to the career leader group regarding today's briefing cancellation. The current plan is to provide the same version of the briefing paper and the revised draft letter to political leadership by the end of today. As Michelle indicated, we are hoping to reschedule the briefing for Tuesday next week. At this time, we are anticipating this to be a smaller group discussion.

We will circulate the version of the draft letter being sent later today for awareness.

Thanks,
