CALIFORNIA WATER CODE (CWC) SECTION 13267 – EXTENSION REQUEST FOR SOIL VAPOR SURVEY RESULTS AT PACCAR INC./FORMER TRICO INDUSTRIES, 1206 196th STREET, TORRANCE, CALIFORNIA (SLIC NO. 0428, SITE ID 2043Y00)

Dear Mr. Benz:

We have received and reviewed your consultant's Premier Environmental Services, e-mail dated January 24, 2007, requesting an extension to submit the results of the soil vapory survey. Our letter dated December 7, 2006, requests that the results of the soil vapor survey be submitted by January 31, 2007. Your e-mail indicates that the soil gas survey has been completed, however, additional time is needed to complete your internal review of the report and therefore request an extension for the submittal of the report from January 31, 2007 to **February 28, 2007**. We have reviewed your request and approve the extension as referenced above.

Pursuant to Section 13268 of the California Water Code, failure to submit the required reports or documents by the due dates may result in civil liability administratively imposed by the Regional Board in an amount up to one thousand dollars ($1,000) for each day the report or document is not received.

If you have any questions, please call Ms. Ana Townsend at (213) 576-6738 or email at atownsend@waterboards.ca.gov or Dr. Arthur Heath at (213) 576-6725.

Sincerely,

Jonathan S. Bishop
