It needs change. I am not the contact person for this. Absolutely not!!! Ex. 5 Deliberative Process (DP) Ex. 5 Deliberative Process (DP) Do not put me as the contact person. I am including Yvette on this, she is my supervisor. If you need a contact person, put her down or have her suggest another name.

Thank you all for the teamwork. Since we need to keep this moving, I've added the FRL number and OCSPP contact in the attached (Adding Todd in case I'm missing any of his contact info). Sam will be kept as the ORD POC until a different POC is designated.

This needs to be sent to Amparo Castillo and Mary Manibusan by 11am.

Thanks all,

Thank you, Angela. I know it's late in the game; we've been having exchanges on other FRNs as well.

One additional point that Jennifer made is that Samantha Jones is not a POC for this document and we need to identify someone else.

Hi Mary et al,
Although there is no dedicated ORD docket per se, there is a specific docket manager that is assigned to ORD, who manages the docket process for ORD materials. The list of docket managers is here https://intranet.epa.gov/fdmsinfo/contact.html#docketmanagers, and it looks like we share the same docket manager - here is the docket manager for ORD. Never the less, we have different procedures (e.g., required CBI reviews, forms, etc), so that manager will instruct you on what ORD needs to do – which isn't likely to be the same as what we require for our materials.
<image001.jpg>

I registered the document in the OP system (FR Dailies) used for FRLs and to submit to OP for publication processing. Here is the FRL number to use on the document: **10020-01-ORD.**

I called OP, and here is the person you need to work with to get the FR signed and submitted: **Mary Manibusan**. (Caryn Muellerleile is the desk officer).

So, with that provided, I think it is also important to point out that it may be too late for this document. OP will confirm whether this is something they can get signed & processed.

Hi David. I have seen a lot of docket numbers and FRLs but I've never requested one myself and I am not sure who knows how to do it in OSAPE. I'll need to ask around. '

Can OSCPP get a docket number and FRL quickly?

Mary and Lou,

Attached is the draft NOA FRN for the PFBS assessment. I have made very minor edits.

Mary could you please address the docket # issue and verify the contact person and information.

We need this basic info first thing in the morning.

I could not access the share drive version. Not sure if it makes a difference regarding which one I edited.

Thanks

Here is a first draft using only the mark-up I received from you last Friday, and an old ORD notice Peter found on the web.
We assumed this is a simple announcement of the final tox assessment, so we kept the FR document very short and pulled language directly out of that mark-up. ORD will need to add the following:

- ORD Docket ID #.
- ORD FRL #.
- For Further Information Contact Info: As a comment, we included the POCs that were in the NOA that Peter found. Otherwise we just provide a template for one contact.

It is set for the Administrator's electronic signature.

Attaching as a shared file and as an attachment.

Hope this helps. Let us know if there are other questions we can help with.
