Subject: RE: Drafting a FR for ORD - A first draft simple NOA

Hi Mary et al,
Although there is no dedicated ORD docket per se, there is a specific docket manager that is assigned to ORD, who manages the docket process for ORD materials. The list of docket managers is here https://intranet.epa.gov/fdmsinfo/contact.html#docketmanagers, and it looks like we share the same docket manager - here is the docket manager for ORD. Never the less, we have different procedures (e.g., required CBI reviews, forms, etc), so that manager will instruct you on what ORD needs to do – which isn't likely to be the same as what we require for our materials.

Program Office	Name	Email	Telephone
OPPT/OLEM/OMS/ORD/OECA/non-participating programs (e.g. OA)	Amparo Castillo	castillo.amparo@epa.gov	202-566-1743

I registered the document in the OP system (FR Dailies) used for FRLs and to submit to OP for publication processing. Here is the FRL number to use on the document: **10020-01-ORD.**

I called OP, and here is the person you need to work with to get the FR signed and submitted: **Mary Manibusan**. (Caryn Muellerleile is the desk officer).

So, with that provided, I think it is also important to point out that it may be too late for this document. OP will confirm whether this is something they can get signed & processed.

We have only done the Transparency rule and I am asking how and who handled it, but we don't have standing docket people.

Hi David. I have seen a lot of docket numbers and FRLs but I've never requested one myself and I am not sure who knows how to do it in OSAPE. I'll need to ask around. '

Can OSCPP get a docket number and FRL quickly?

Thanks.

Mary and Lou,

Attached is the draft NOA FRN for the PFBS assessment. I have made very minor edits.

Mary could you please address the docket # issue and verify the contact person and information.

We need this basic info first thing in the morning.

I could not access the share drive version. Not sure if it makes a difference regarding which one I edited.

Thanks

DDD

Here is a first draft using only the mark-up I received from you last Friday, and an old ORD notice Peter found on the web.
We assumed this is a simple announcement of the final tox assessment, so we kept the FR document very short and pulled language directly out of that mark-up. ORD will need to add the following:

- ORD Docket ID #.
- ORD FRL #.
- For Further Information Contact Info: As a comment, we included the POCs that were in the NOA that Peter found. Otherwise we just provide a template for one contact.

It is set for the Administrator's electronic signature.

Attaching as a shared file and as an attachment.

Hope this helps. Let us know if there are other questions we can help with.
- Angela
