I'll tell Jennifer that I can try to reach Carolyn or Liz by cell phone; I think she's too busy.

Here's the source of this kerfuffle. They're adding an OSCPP POC and insist on an ORD POC, but the authors don't agree with the conclusions and we've pulled the author list.

Mary and Lou,

Attached is the draft NOA FRN for the PFBS assessment. I have made very minor edits.

Mary could you please address the docket # issue and verify the contact person and information.

We need this basic info first thing in the morning.

I could not access the share drive version. Not sure if it makes a difference regarding which one I edited.

Thanks

Here is a first draft using only the mark-up I received from you last Friday, and an old ORD notice Peter found on the web.
We assumed this is a simple announcement of the final tox assessment, so we kept the FR document very short and pulled language directly out of that mark-up. ORD will need to add the following:

- ORD Docket ID #.
- ORD FRL #.
- For Further Information Contact Info: As a comment, we included the POCs that were in the NOA that Peter found. Otherwise we just provide a template for one contact.

It is set for the Administrator's electronic signature.

Attaching as a shared file and as an attachment.

Hope this helps. Let us know if there are other questions we can help with.
- Angela

As noted, OCSPP has a lot of Notice Drafting experience. We are quite swamped but Angela and Peter are ready to assist Lou. Thanks for helping.
