Can you give me a little more context as to what is going on, Jenny? Then I can answer your question.

Hi Everyone,

You will be receiving an e-mail and/or calendar invitation from Amy Klei, Ohio's Drinking Water Program Manager, or Kim Harris regarding a meeting to discuss Ohio's PFAS CWS sampling results near DuPont's Washington Works facility. I believe Ohio EPA will give us a presentation, but I am not sure.

Have a good evening,
Jenny
