Subject: Re: Urgent request for information re: PFOA - SDWA 1431 Actions? Other Actions?

I'm aware of EPA issuing four 1431's due to PFC contam. They are the DuPont one you mention, Region 1's order re Pease Air Force Base (you can get info from Bill Walsh Rogalski); and the orders R.3 has issued re Warminster, PA and Willow Grove, PA. I'm sure you have the DuPont order; when I'm back at my desk in a few mins. I can send you the R. 1 and R. 3 orders

Hello all,

I received a request from our OECA's Communications office to provide information on all actions EPA has taken to date regarding PFOA. Apparently, the reporter has a tight turn-around, so if you all can let me know what you know as soon as possible, it is greatly appreciated.

I know that EPA has the following SDWA 1431s, but maybe you all can fill in the blanks and let me know if you know of any other actions?
Please provide a better name for these cases as I typically just know the shorthand name.

Active SDWA 1431 Orders:

- <!--[if !supportLists]--><!--[endif]-->Region 3/5 – DuPont – Washington Works
- <!--[if !supportLists]--><!--[endif]-->Region 3 - Federal Facility – Navy and/or Air Force
- <!--[if !supportLists]--><!--[endif]-->Region 1 - Federal Facility (Does anyone have more information on this Order? Maybe a contact in Region 1?)

Are there other SDWA 1431 Orders?
Are there other actions not using SDWA 1431?

Thanks,
Clarke
