Subject: Chemours Meeting Notes 07262017
Attachments: Chemours Technical Call_07262017.pdf

Roger,

I've attached my meeting notes from the Chemours Technical call yesterday. Please let me know if you have any questions.

Also, I asked Andrew about when Washington Works phased out PFOA and started using GenX. He told me this took place in **May 2013**. He also said that the consent order was in place about a year before the transition occurred.

Thanks,

Kevin Rowsey
