Sorry for the change in format, but in the interest of trying to give him more context, I added a background section explaining our roles. I also need some help with the next steps section. Elizabeth, can you take a look at it on Friday? I know you're out next week, but I think I can finish it up on Monday. I've heard powerpoints are NOT favored these days, but I'm going to do some checking on that. I'm off tomorrow, but I'll check email, so if you need me, feel free to contact me.
Thank you,
Ellen

Hi Ellen: Attached is a draft issue paper and presentation for your review. The RA briefing is scheduled for Thursday July 12th at 2:30 – 3:00. I'm on vacation returning Tuesday 7/10, so please work with Liz directly. Liz is coordinating with ORC and NEPA. With only 30 minutes, do you want to aim for 15 minutes of presentation, leaving 15 for discussion? Also, do you want to have Liz do a dry-run with you to help finalize content and confirm time frame. Sorry for not being here to finish this up; of course you are in the best of hands with Liz and if there is anything I can help with please let me know. Thanks!
