GRANT OF EASEMENT

THIS INDENTURE, made the 23rd day of [illegible] between the United States of America, acting by and through the Department of the Navy, hereinafter referred to as the Government, and Los Angeles County Sanitation Districts, hereinafter referred to as the Grantee.

WHEREAS, the Government is the owner in fee simple of the parcel of land situate at the U. S. Naval Industrial Reserve Aircraft Plant, Torrance, California, hereinafter referred to as the Facility; and

WHEREAS, the Grantee has requested the conveyance of an easement for the construction, installation, maintenance, operation and repair of a sewer pipeline through and under the aforesaid Government-owned parcel of land, as delineated on the plan annexed hereto; and

WHEREAS, the Secretary of the Navy has found that the grant of an easement on the terms and conditions hereinafter stated will be in the public interest and will not substantially injure the interest of the Government in the property affected;

NOW, this Indenture witnesseth that, in consideration of the mutual benefits and advantages accruing to the parties thereto, the Government, pursuant to the authority of Title 10, U. S. Code, Section 2669, hereby grants unto the said Los Angeles County Sanitation Districts, its successors and assigns, for a period of fifty (50) years from the date hereof, an easement for the construction, installation, maintenance, operation and repair of a sewer pipeline, hereinafter referred to as the Line, such easement to be confined through and under the following described land, hereinafter referred to as the Premises:

A twenty (20) foot strip of land being the easterly twenty (20) feet of that portion of the Rancho San Pedro conveyed to Columbia Steel Company, a corporation, by

Subject to covenants, [illegible]
and easements of record.

THIS EASEMENT is granted subject [illegible] and
conditions:

1. That all work in connection with the construction, installation, operation, maintenance and repair of the Line shall be done without cost or expense to the Department of the Navy and in accordance with plans previously approved by the District Public Works Officer, Eleventh Naval District, hereinafter referred to as the District Public Works Officer.

2. That the Grantee shall maintain the Line in good condition and shall promptly make all repairs thereto which may be necessary for the operation and the maintenance of said Line.

3. That the Grantee's rights hereunder shall be subject to such rules and regulations as may be promulgated by the Government to insure that the exercise of such rights shall not interfere with the Facility.

4. That upon termination of the easement granted herein, if desired by the Government, the Grantee, at its expense, shall remove any and all improvements installed or constructed hereunder and restore the Premises to the same or as good condition as that which existed prior to the exercise by the Grantee of its rights hereunder, such restoration to be effected to the satisfaction of the District Public Works Officer.

5. That if at any future time it is determined by the Government that the easement herein granted interferes with Government activities, the Grantee shall relocate any construction or installations at its expense; if the Government determines such relocation is not feasible, the Government shall have the right to terminate the easement herein.

BOE-C6-0111138

6. That all or any part of the [illegible] may be terminated for failure on the part of the [illegible] comply with any of the terms and conditions of this [illegible] This easement shall terminate upon [illegible] granted herein or upon nonuse of such rights for a [illegible] two consecutive years.

7. That the Government may use the premises [illegible] subject of this easement for any purpose which does [illegible] an unreasonable interference with the use and enjoyment [illegible] Grantee of the easement rights granted herein.

8. That the Government shall have the right, at its [illegible] cost and expense, to install, maintain, and operate [illegible] sewer feeder lines connecting to the Line to be installed by the Grantee hereunder, for the purpose of discharging into the [illegible] sanitary sewage effluent from the Facility and the Grantee shall, without cost to the Government, receive such effluent into the Line for discharge and disposal.

9. IN WITNESS WHEREOF, the Government, acting by and through the Department of the Navy, has caused this instrument to be executed (and the seal of the Department of the Navy affixed hereto) the day and year first above written.
