Hi Roger,

Thank you for the information. I was not aware that Andy addressed this. I was just forwarded the e-mail from my management and I thought we needed to address it, too.

Ex. 6 Personal Privacy (PP). I am hoping she has time to think about the Putnam issue then. Thus, we can't bring it up on the call tomorrow.

Have a good afternoon,
Jenny

Finally, I was thinking we should coordinate the response between our regions and whoever responds should copy the other region.

Thank you,
Jenny

Thanks Tinka. I am forwarding to Jenny Wilson since she took over this case for me a few months ago. We have the Administrative Record on our SharePoint site so it shouldn't be difficult to fulfill.
Jenny – please coordinate with Roger.

Best wishes,
Heather

Hi All – please see the request below – Please note that she is looking for information related to DuPont – the docket number she provided to me in a voicemail is SDWA-05-2009-0001. She is looking for information related to the 2016 amended order – not sure if the docket number she used for 2016 correct – may not be. She also spoke to R3 so he may be responding so may want to coordinate with them first. Thanks

Dear Ms. Hyde:
Thank you for returning my call – below is the request I forwarded to Region 3. I am looking for several items from the attached index but have been unable to find the docket online. I am copying Mr. Reinhart from Region 3 so he knows I have been in contact with Region 5, too. I contacted Region 5 and Region 3 since both are listed on the order on consent.
Thanks in advance for your help.
Jennifer

Subject: Request for documents from SDWA-03-2016-127-DS

Dear Mr. Reinhart:
Thank you for your prompt response to my inquiry. I am looking for the docket containing documents from the attached index, but was not able to find it online. I am looking for items 26, 27, 28, 45, and 54 from the index.
The docket number is listed as SDWA-03-2016-127-DS on the index; the order on consent was filed in 2009. I was unable to find anything but the 2009 order through the EPA website.
Thank you in advance for your help.

Sincerely,
