Torrance Disposition Effort

Closure Plan -- December 1997

Facilities

March 21, 1996

BOE-C6-0113052

Torrance Disposition Effort - Facilities

- OBJECTIVE
  - Remove all Facilities Operations, DAC capital equipment and miscellaneous stock items by December 31, 1997.
- STRATEGY
  - Facilities Operations
    - Facilities and other miscellaneous operations at Torrance will be discontinued or downsized and transferred to C1, such as the Record Center and Video Library.
  - Facilities Stock Items
    - Utilize existing stock for MD-95 and other requirements until July 1997.
    - 80% of all Facilities items (furniture, partitions, bins, and racks) after July 1997 will be sold at auction.
    - 20% of all Facilities items remaining after July 1997 will be relocated to C1.

BOE-C6-0113055

Torrance Disposition Effort - Record Center

- <u>Preliminary Plan</u>
  - Relocate to C1 Building 2 (Ist Floor) by July 31, 1997.
  - Clear Ist Floor (Approximately 50,000 Sq. Ft.).
  - MD-12 Records will be incorporated into DAC Record Center.
- Review of outsourcing options will be completed by July 1996.
  - Previous outsourcing options have not been cost effective.
- Plan to reduce record storage requirements (i.e, CD-ROM, Photo-Imaging) will be completed by January 1997.
