I talked with Andrea and we're going to go with Gilt Edge as well, so please do review

Looks like the Gilt Edge part is not on the list- should I be reviewing that language?

Thanks,

Please review and edit these short write-ups that will be given to Suzanne to present to Shaun in the FY 16 Org Assessment. Please forward your revised paragraph to Aaron and I as soon as possible. Aaron would like to send these to Suzanne this afternoon. Sorry for the short notice.

Thank you!

I'm reaching out to all of you for some assistance. The FY16 Org assessment that Suzanne sends out at the end of the year includes the top accomplishments for the year from each program. I've identified cases that you've completed or will complete in FY16 that I would like to highlight for RCRA and CERCLA. What I'm requesting is help with a couple sentences highlighting your case that I can include in the Org assessment. Below are the cases that I need your assistance with:

RCRA:
David – USM AOC

CERCLA:
Sharon – Nelson Tunnel
Scott – Columbia Falls

If you can, please just send me a couple sentences highlighting the action. Thanks for your help, I'm swamped right now and your all much more versed in the actions then me.
