Hi Andy,

I have attached comments from OCE and OSRE in OECA. I consulted with Mark Pollins, who is acting as Director of OCE, on the comments and changes I proposed. He did not think there was reason to raise the comments to a higher level for review—especially considering the goal to send the letter tomorrow—but offered that we could continue the discussion with Susan Bodine when she returns next week, should Region 3 so desire.

I am available today and tomorrow, if you have any questions.

Thank you!

-Jeff

Elisabeth and Jeff, attached please find a copy of the draft letter to Chemours, as we had previously discussed. Please provide me with your comments at your earliest convenience. Our goal is to send the letter on 12/29.

Thanks, Andy
