I know you have a lot on your plate Jenny. I can call Andrew and explain the situation.

Hi Roger,

Yes, we already told Andrew about the research project, but I agree, we should give him a heads up that the letter is coming. Do you want to do that together or by yourself? If the latter, I am fine with that, just let me know.

Thank you,
Jenny

Jenny. I have no major issues with the letter and don't want to delay the process, so I'll defer to Jacquie and Pam. I'm not sure if it's appropriate, but I'd like to call Andrew Hartten to explain the basis for the letter. Haven't we already divulged that our ORD is doing a research project on the Washington Works area?
