Subject: Approximate Week for Meeting to Discuss the CWS PFAS Sampling Data by Washington Works

Hi Kim and Amy,

I am receiving questions from ORD asking when Ohio would like to meet with us to discuss the CWS PFAS sampling data by DuPont's Washington Works Facility. Is it possible to have the meeting before December 21? The reason I ask is many of us will be out of the office on use or lose annual leave for the last two weeks of December. Do you have a general idea what week this meeting would be?

Thank you,
Jenny
