Just let me know if you want West Virginia on the line or if you just want me to have a call with you. Also, I will need your availabilities again, but I am waiting until we have a budget for next week to ask for that.

I received a cancellation notice for this meeting, so it wasn't on my calendar. As such, we aren't as prepared as we would have been. We can still call in, though.

Hi Beth,

I am not sure what happened to this invitation below, but it appears that not everyone from your State was included. I don't know if I copied the invite incorrectly, but no one from Ohio has called in. Are you available?

Thank you,
Jenny

2/6/19 update – The agenda was updated.

Hi Everyone,

Sorry to make the Chemours meeting run into what is probably most of your lunch hours, but as I mentioned before, it is very difficult to find a time when everyone is available. Please feel free to eat while we are on the call. Also, sorry this is on Valentine's Day.

The conference line is (202)991-0477. The conference code is 8306729. A brief agenda is below that I will be editing before the meeting. I just wanted to get the time slot reserved.

Talk to all of you in two weeks,
Jenny

Agenda:
Introductions
Current Status of PFOA Sampling – locations were Chemours is expanding
Updates since the last discussion
- GenX sampling
- Stack Sampling at Washington Works
- Other updates?
