Hi Chris and Rita,

May you please let me know if you are working today because Region 3 wants to send the attached letter about GenX to OECA. I read it weeks ago and I just reviewed Mary Coe's edits and I am fine with them. If you two could please look at the later today and let me know if you have any edits, that would be great.

Also, if you call and I don't pick-up, please leave a voice mail. I may be on the phone with my landlord. My heat is not working.

Thank you,
Jenny

Hi Jenny – I'm not sure who in WD is in to review the attached, but it looks like Mary did not make many edits to those I proposed (the redline shows mostly my proposed edits and a few of Mary's). R3 has a 12/29 deadline to send the letter, so I think you need to get this to WD management for review asap. Andy plans to accept all edits today and share with OECA, which I think is a good plan. Thanks-Jacquie
