Subject: Stibnite Mine ASAOC and SOW

Dear Chairman Wheeler,

After consideration of comments on the October 20 drafts, the federal agencies have prepared the attached revised Administrative Agreement and Order on Consent (ASAOC) and Statement of Work (SOW) for implementing phased removal actions at the Stibnite Mining District.

We consider these drafts to be nearly final. However, if you have additional comments, please submit them to Cari Shiffman by December 18, 2020.

Sincerely,

Susan Parker Bodine
