Hi Dean. The Nez Perce has asked for a consultation with Chris Hladick regarding Stibnite. The date that Chris has selected to meet with the Tribe in Idaho is August 27th. **Ex. 6 Personal Privacy (PP)** Ex. 6 Personal Privacy (PP) Since you have been keeping up to speed on the Site, would you be willing to go to represent ORC? I know it's a big ask...

Yes we will need a briefing. Please consider how the tribe's input can impact the path going forward. Where do we have flexibility in our approach and where not? This should be part of the discussion in the briefing.

Thanks,

Wenona

It looks like that is what the Nez Perce have scheduled. We will start getting ready ☺ Please let me know if Chris needs a briefing.

Thanks

Kathy

If Chris will be there on 8/27 it's better to have it that day. Chris has an established relationship with the Chairman. I understand Elizabeth is key – could another attorney step in to represent that day?

Sheila,

The Nez-Perce has requested consultation regarding the Stibnite Mine AOC. Elizabeth was under the impression that the signature on the last AOC for UCR was Sheila. I need to verify who signs the Stibnite AOC so that I can follow up with Wenona and verify who needs to be present at the consultation. They meet the 2nd and 4th Tues day of every month.

8/13 is best for Elizabeth. 8/27 is best for Chris since he already has a consultation with them that day, but Elizabeth is out of town that day and seems pretty critical. I need to verify with Wenona based on who the signatur is, who needs to be present. And then I will need to reach out to the tribe to schedule.

Thanks

Kathy

Subject: Request for Government-to-Government Consultation

Mr. Christopher Hladick:

Attached is the July 10, 2019, letter from the Nez Perce Tribal Executive Committee requesting government-to-government consultation on a proposed administrative order on consent under the Comprehensive Environmental Response, Compensation, and Liability Act for the Stibnite Site. Please let me know if you have any problems accessing the attachment, which consists of two pages.

Thank you.
