Hi Mike. I just got a call from Brad asking if I would object to Midas attaching a copy of the current draft AOC to court documents. I said I would not like the AOC to be filed in court because the document is being negotiated and does not represent an agreement on the terms. I don't think we talked about this when we last spoke, so I wanted to let you know that I would appreciate it if the Nez Perce also did not file the document with the court. Thanks very much.

Elizabeth
