Stacie and Ingrid,

Here is the last inspection report and most recent NPDES Permit. The Permit expired on 9/30/2020 but has been administratively extended because a timely renewal has been received by DEP.

I have also attached the 2015 Permit fact sheet and DEP's most recent COA with Hanover.

Contact me with any questions.

Hi Victor. Would you be able to send along a recent inspection report for Hanover foods and the most recent permit? It seems the permit on-line is expired. Ingrid is coordinating with our contractor, so please be sure to include her on the response.

Thanks.

Thanks Ingrid. Can you confirm this is the correct permit for Hanover Foods? It expired in September but may be extended.
