Subject: OECD workshop presentation
Attachments: OECD_020320_Final.pdf

Hi Task Force members,

Attached is the presentation that IEP and NWGC intend to present at the OECD workshop on the chemicals/waste interface case studies on February 3rd. The presentation must be submitted to OECD by January 24. Please review and provide comments back to me and Doug Krapas by 1/21 and then we will discuss these changes on the SRRTTF conference call on January 22 and hopefully also approve it. This information is also included in the materials sent to all for the meeting notice.

Thanks,

Lara Floyd
