Subject: Final reports/Ecology & EPA news/EAP sampling schedule/Upcoming mtgs.

PMF & Green Chemistry final reports/Ecology & EPA news/EAP sampling schedule/Upcoming mtgs.

Task Force,

The PMF blank study final report with the changes discussed at the last Task Force meeting can be seen on the website at this link: **http://srrttf.org/?page_id=10186**

The final IPCBs and Pigments report from Northwest Green Chemistry can be seen at this link: **http://srrttf.org/?page_id=10179**

Ecology's Water Quality Program is offering more than $183 million in financial assistance for 106 high-priority clean water projects across the state. See the link below for more information:
From onsite septic repair to stormwater infrastructure, $183 million is going to more than 100 clean water projects

EPA's **May 2019 Fish and Shellfish Program Newsletter** focuses on PCBs. Click the link for some interesting articles.

Brandee Era-Miller and Siana Wong from the Dept. of Ecology will be out on the Spokane River doing sampling work the first week in August and they could use one additional person to help on Tuesday, Wednesday and Thursday August 6-8. Please email Siana Wong, **swon461@ECY.WA.GOV** if interested.

Upcoming work group meetings (conf. calls: Ex. 6 Personal Privacy (PP)):
July 31 – Tech Track @ 10 am (Dept. of Ecology office, 4601 N. Monroe St., Spokane)
Aug. 7 – TSCA conf. call @ 10 am
Aug. 8 – Data Management conf. call @ 3pm
Aug. 13 – Education and Outreach @ 10 am (Spokane Regional Health District office)

For meeting materials please follow this link on the website: **http://srrttf.org/?page_id=9623** and then select the work group you are interested in.
