Dear All, Please find information on the upcoming "Walk-Through" for the June 3-4, 2019 SFIREG Meeting:

- Purpose: Liza Fleeson-Trossbach, chair of the State FIFRA Issues Research and Evaluation Group (SFIREG), will give OPP/OECA leadership an overview of the agenda topics for the Full SFIREG meeting taking place on June 3-4, 2019. This meeting will serve as an opportunity for OPP and OECA to ask questions to SFIREG regarding meeting expectations and to raise any additional topics that EPA would suggest that SFIREG consider discussing at the meeting. In addition, it will provide a venue in which to discuss potential topics for the EPA/SFIREG leadership meeting on Monday, June 3.
- Attached to this invitation are: the June 2019 draft agenda, the issue/white papers that SFIREG will be considering, and the meeting minutes from the last Full SFIREG meeting in December 2018. Additional information about SFIREG and its working committees can be found at the following Web addresses:
