Thanks Mike. Early bird too I see!

Will circulate for nominee suggestions. Really appreciate your offer to be a speaker and we are definitely working on putting together a coastal event.

Also, as you know, my boss Cathy is working with Debby Jordan on a meeting with you in your LA office, tentatively April 24th, which I plan to attend along with a group of folks (8-10) each from WSPA and CIPA.

Hope all is well and looking forward to seeing you soon. Will you be attending Andy's upcoming COLAB event?

Bob

Bob,
Any ideas for candidates? And send me some March, April or May on Thursdays that you would want me to be your guest speaker. Or would you be interested in inviting whomever you would want from industry to meet with me in the EPA LA office on a Thursday late morning?

Subject: Seeking CAAAC Nominations

Dear Colleagues,

I am writing to seek your assistance in identifying nominees to be considered for appointment to the Clean Air Act Advisory Committee (CAAAC).

The CAAAC is a senior-level policy committee established in 1990 to advise the U.S. EPA on issues related to implementing the Clean Air Act Amendments of 1990. The CAAAC provides advice to the Agency on critical air quality policy issues during face-to-face meetings and through issue-specific workgroups.

It would be helpful for nominees to have a strong background on air issues. Based on the current members who are leaving, we are in greatest need of representatives from environmental organizations, public interest groups, academia and industry. We also will be filling a couple of spots for representatives from state, local, and tribal government.

In the event you have nominees or questions, please contact the Designated Federal Officer, Larry Weinstock at weinstock.larry@epa.gov at (202) 564-9226. This committee is managed by the Office of Air Policy, Program Support within the Office of Air and Radiation. The website for the CAAAC is at https://www.epa.gov/caaac . The website includes a formal nomination form, which is also attached.

Vacancies are anticipated to be filled in Late Spring/Early Summer 2019, so please provide nominees as soon as possible. Thank you in advance for your assistance.
