Hello Mike,

It was great to see you in San Diego last week and discuss some current EPA projects to help stem the sewage flows impacting San Diego County.

I am following up to this email requesting assistance in setting a meeting with Acting Administrator Wheel and Mr. McIntosh during the dates/times outlined below. Is there anything you could do to help facilitate this request?

Best regards,

Victor Avina

Good afternoon Mr. Stoker,

I hope this email finds you well. Supervisor Cox appreciates your commitment to solving the transboundary sewage issues along the U.S. – Mexico border. Following up on a previous conversation, he would be most appreciative of your assistance in setting a meeting with Acting Administrator Wheeler and Mr. Charles

"Chad" McIntosh in Washington DC. Is this a request you would be able to assist him with? Supervisor Cox is hoping to be able to schedule a meeting during the following times, if possible:

Friday, March 1, between 12 and 4 p.m.
Wednesday, March 6, between 8 a.m. and 2 p.m.

Please let me know how I could assist best in this request.

Thank you,

Victor Avina
