DPM 5355 10-28-76

Called Air Tech for Proper Shipping Name. (Will Freshette)

Received in Product in DOT 37B 5 gal. can.

He said RAM Chemical Supplies the material and that the Proper Shipping Name was "FLAMMABLE LIQUID, N.O.S.)

Called RAM Chemical (Dave in Traffic). He verified FLAM.LIQ. NOS.

Advised RAM 37B can not authorized for that product. RAM stated they furnish it in 55 gal. drums to Air Tech. Air Tech. repacked in 5 gal. cans.

Advised Air Tech that 37B was not authorized. They are investigating getting a 17E can for future shipments.

4-15-77
