I've updated the version of the response to comments attached here and added the decision tree and explanatory notes documents. I've also updated the date and length of the meeting to ensure we have time to discuss fully.

Thanks,
Adam

Hi all,

I wanted to set up a time to discuss the PGR/PBS draft guidance. This looked like the best time option I could find in the next week or so, but please feel free to suggest an alternate time if needed. I've attached 3 files here – the draft guidance and the response to comments documents with some comments on them, and an Excel file that summarizes the comments received. We'll walk through the comments on the call.

Thanks,
Adam
