Plant Biostimulants Guidance Response Chart

| Office/Region | Response | Action by BPPD |
|---|---|---|
| OGC | Concur, with minimal changes | Accepted all changes |
| OECA | Title change and major reorganization of document requested<br><br>Some proposed non-plant regulator claims appeared to be the same as proposed plant regulator claims, were unclear or contradictory<br><br>Requested formal response from the Regions<br><br>**Concurs with current draft for OMB review** | • Edited title of Guidance;<br>• Did not re-organize document;<br>• Removed/or edited problematic label claims;<br>• Made formal request for comments from Regions |
| OP | Concurs with current draft for OMB review | Same as above [1] |
| ORD | Concur, no comments | No Action Needed |
| Regions 1, 5, 7 | Concur, with changes. Some proposed non-plant regulator claims appeared to be the same as proposed plant regulator claims, were unclear or contradictory | Removed/or edited problematic label claims |
| Regions 2, 3, 6, 8, 9 | Concur; found guidance useful | No Action Needed |
| Regions 4 and 10 | Concur, with minimal change in wording; Region 10 requested that the Table of known PGR actives (removed from original draft in 2016) be re-added to Guidance | Accepted change; awaiting management decision on re-add of Table |
