End: 3/6/2019 7:00:00 PM
Show Time As: Tentative

Recurrence: (none)

Please see attached parking map. There is construction in the main parking lot so everyone will need to enter through Gate 8, then walk to the building on the sidewalk. On the attached map you can see the parking area labeled Temporary

Employee Parking. That is where you want to park. There's a chance of rain so an umbrella or jacket might be handy for that walk. :)

Updating to add agenda with call in information.

Community representatives have asked that regulatory and enforcement agencies be prepared to provide information on the following within their status update:
-specific codes/rules that you enforce at this site
-how you verify compliance of those codes/rules in general
-status of each code/rule/etc that you enforce at the site
- how the status has been documented at the site

Regulatory/enforcement agencies will have 10 minutes to provide their status updates, including the requested information listed above, with time for discussion after.

Thanks,

Mandi

Hi everyone,

The next monthly Interagency meeting on AllenCo will include community stakeholders, such as Esperanza Community Housing. The stakeholders have requested an in-person meeting. I'm looking for a location closer to the AllenCo site but have reserved space at our HQ in Baldwin Park, just in case. Please hold the time on your calendars. If we find a different location, I will let everyone know in advance. Call in option will be made available to those who cannot attend in person.

We ask that each regulatory agency be prepared to provide a brief status update at the beginning of the meeting. Agenda to follow.

Any questions or concerns, please let me know.
