Subject: Informal resolution process

Jason,
Hope you are well. I was wondering if you have an update regarding my earlier email on the informal resolution process. I am happy to discuss this with you further if you have questions. If you can let me know by the close of business next Monday, then we can decide on the next steps for processing the complaint. I know with the holidays that things can get a bit busy, but if you can get back to me that would be terrific. Thanks.
