Dear Tandy Kippur:

Enclosed is a copy of the Finding and Notice of Violation ("NOV") that the U.S. Environmental Protection Agency Region 9 ("EPA") is issuing to Tucson Iron & Metal ("TIM") for violations of the Clean Air Act ("CAA" or "the Act"). Specifically, EPA finds that TIM has violated and continues to violate section 111 of the Act, 42 U.S.C. § 7411 – Standards of performance for new stationary sources, at its facility in Tucson, Arizona.

If you have any questions pertaining to this NOV, please contact Mark Sims of the Enforcement and Compliance Assurance Division at (415) 972-3965 or sims.mark@epa.gov, or have your attorney contact Denise Leong of the Office of Regional Counsel at (415) 972-3409 or leong.denise@epa.gov.

Sincerely,
Roshni
