Subject: SNUN issue

Madison:

I need to bring you up to speed on a SNUN. Lynn and I briefed Alex Dunn and Tala about it in 2020, but apparently the crux of the matter did not get included in the SNUN itself, nor in internal conversations, so NCD was not aware. I spoke to Jim Alwood about it the other day and need to brief you as well.

Do you have time this afternoon or Monday after 11 AM?

Subject: [EXTERNAL] Follow up

Lynn,

It was good talking to you today. As discussed, I would like to set up a meeting for the three of us to have a follow up discussions regarding the consortia of issues teed up today, and additionally request high level feedback on the upcoming PFAS LVE Stewardship program.

In terms of availability, Friday, 6/18 would work best for me but I can accommodate a meeting on Thursday, 6/17 after 2pm. Please me know what dates/times work for you and I'll send out the invite. Thank you.
