FYI- They hope to have the completeness determination done by Monday AM – in which case Mary could sign the letter to the governor Monday AM before the NC travel.

Subject: receipt of assumption package

The assumption package from FDEP just arrived this morning. Queen provided me the envelope a few minutes ago, which contained 3 thumb drives containing several electronic files, but no hard copies. Included with the electronic files are two letters (attached) addressed to Ms. Walker and respectively signed by Governor DeSantis on Aug 18, 2020 and Secretary Valenstein on August 7, 2020. I am in the process of uploading the contents of the thumb drives and we'll begin our review for completeness. Tom
