TRACKING INFORMATION

Legend–Type of Medical Waste

- **B** - Biohazardous Waste (Red Bag and Sharps Waste)
- **S** - Sharps Waste Only
- **C** - Chemotherapy Waste (Trace)
- **P** - Path (Human Tissues) Waste
- **R** - Other/Special - See Remarks

NOTE: Weight shown in Column "A" are reasonable estimates only, used for waste tracking document requirements, and cannot be used for invoicing purposes.

NOTE: Weight shown in Column "B" is exact weight of waste (less tare weight of *rigid container*), can be used for invoicing purposes. Weights are taken and determined at the T.C.I. Facility by a certified deputy weighmaster on weighmaster certified/permitted scales.
