Subject: FRN Drafts for Review

Hi all,

Please see attached for drafts of our two decision FRNs which would be issued if we approve FL's program:

1) EPA's approval of FL's program – Notice – issued by R4
2) Modification of the 40 CFR Part 233 Reg Text – Final Rule – issued by HQ
    - In case anyone asks, this is not a "direct final rule."
    - This is a final rule issued without notice & comment for good cause.

Thanks to Kathy and Simma for providing helpful edits today!

I know we are all swamped with RTC so will suggest **Thursday COB as a review deadline**. R4, I defer to you if the approval FRN #1 needs to move more quickly. On the HQ side, FRN #2 will likely lag because we're still working on clearing through a lot of process channels that come along with a rulemaking.

Best,
Whitney
